THE ALLURE of SONOMA COUNTY TERRIOR

Windsor Sonoma wines are exclusively handcrafted from grapes cultivated on the Sonoma side of the Mayacamas Mountains. Bringing their decades of knowledge and experience to bear, noted winemakers Marco DiGiulio (Girard – Napa Valley) and Anthony Austin (Sonoma Coast Vineyards – Sonoma Coast) carefully select prime vineyards for their distinctive *terroir* and wonderfully express these characteristics in the varietals best suited to each region's climate. Our overarching vision – the best grapes from the best *terroir* – is what defines our wines.

## WINEMAKERS

Marco DiGiulio graduated with a degree in Fermentation Science from the University of California at Davis in 1985. After honing his winemaking skills at such notable wineries as Atlas Peak and Pezzi King Vineyards he became the Winemaker at Pepi Winery in Oakville in 1995. While making Pepi Wines, he also took charge of the Lokoya brand. It was at Lokoya that Marco's reputation for world-class Cabernet Sauvignon was first established when his 1997 Cabernet Sauvignon received a remarkable 98 points in the *Wine Spectator*. Since 2000 Marco has been crafting the exceptional wines at Girard. He joined Anthony Austin in 2007 at Windsor Sonoma Winery to capture *The Allure of Sonoma County Terroir*.

Anthony Austin, born and raised in Healdsburg, California, is a fourth generation Sonoma County native who studied enology at the University of California Davis. He continued his studies under the legendary winemaker André Tchelistcheff and in 1974 became the first winemaker at Firestone Vineyards in Santa Barbara. During the ensuing ten years as winemaker he elevated Firestone Vineyards and the Santa Barbara region to new heights. Longing to focus his talents on Pinot Noir Anthony started his own winery, Austin Cellars LLC, which won international acclaim for its wines and to this day they remain highly sought-after collectibles. In 2001 Anthony was drawn back to Sonoma County and the cold-climate challenges of the Sonoma Coast to become Winemaker and a Founding Partner of the highly regarded Sonoma Coast Vineyards. His passion for Sonoma County drove him to join Marco DiGiulio at Windsor Sonoma Winery to capture *The Allure of Sonoma County Terroir*.
